General Specifications

Seat/Back: Seat is formed thermoplastic. Hannah Task is available as a Swivel Task Chair or Swivel Task Stool. Arm rest versions are available for all Hannah items. For upholstered Hannah seat you must order the desired thermoplastic seat AND the Hannah Upholstered Seat Cushion (HAN600A), in the grade you desire, as separate items.

*HAN600A for upholstered seat already assembled on chair/stool and HAN600U for upholstered seat cushion and mounting hardware for you to install on Hannah seating already in your collection

Frame: The frame assembly is comprised of 1", 16-gauge powder coated steel tubing. The frame is completely welded. Black bell glides are standard for non-mobile units. Mobile units are fitted with twin-wheel locking casters for multiple floor surfaces.

Arms (if applicable): Arm frames are to use the same powder coat as frame, to match. Arm rests are black.
