## BOLA

- Formerly an Izzy+/Fixtures Furniture product, the Bola's signature design offers simple, classic comfort with the fun attitude of colorful thermoplastics or fabrics.
- Rolled steel front legs and fixed back legs can be fitted with ball or formal glides.
- Stackable up to four high!
- Seat and back can be upholstered or textured thermoplastic.
- Available, as a chair or stool, in three seat heights (17", 15" & 13").

\*Bola old-style, Capped Front Leg Armless chairs and Bola with Arms are only available for customers who already have this Bola chair as a part of an existing seating program.

### General Specifications

**Seat:** Bola seat is constructed of textured thermoplastic (polypropylene) or upholstered with 2" urethane foam over contoured molded plywood.

**Back:** The back is constructed of textured thermoplastic (polypropylene) or upholstered with 1" urethane foam over contoured molded plywood and 1/4" urethane foam on back cover.

**Frame:** Frame is made up of two rolled front legs and two fixed back legs of 1" x 16 gauge steel tubing. Frame allows for stacking.

**Arms (if applicable):** Arms are epoxy finished to match frame with molded plastic inserts. Arm inserts will match seat and back color for thermoplastic models. Upholstered Arm inserts are available for an \$80 upcharge.

**Glides:** Glides are molded nylon balls (standard) or formal glide option. Standard is for all four ball glides to be the same color, mixed colors will incur an upcharge. Formal glides are available in Raven T12, only.

**End Cap:** are molded nylon, color will coordinate with frame finish.

Meets or exceeds ANSI/BIFMA X 5.1 durability and safety standards
