General Specifications

Main Desk Base/Toe: The main desk unit is comprised of two (2) end panels of 1-1/8" particle board core with high-pressure laminate or wood veneer finish on one surface and .030" phenolic backer on the other, each with a 3/4" thick particle board core overlay panel with .050" high-pressure laminate or wood veneer finish. The end panels are fastened to an 11/16" particle board front face panel with .050" high-pressure laminate or wood veneer finish. The unit sits on a 4" high toe of 11/16" particle board core with high-pressure laminate faces. All edges are self edge. The work surface is 3/4" thick particle board core with .050" high-pressure laminate surface. The 4" deep bottom shelf is 11/16" particle board core with .050" high-pressure laminate face and .030" phenolic backer. The bottom shelf is self edged.

Transaction Top and Support Assembly: Transaction Top work surface is 11/16" particleboard core with .050" high-pressure laminate faces and 3mm PVC banding. Transaction top supports are 1-1/8" particleboard core with .050" high-pressure laminate faces and are self edged. Transaction top support assembly is 1-1/8" particleboard core with .050" high-pressure laminate or premium oak veneer (unless another species is specified) and self edged. (Transaction top is typically not included in construction of returns).
